“ *American Dad - I don't know what to say. You were a hell of a guy. Proud to call you my non biological dad and best friend. I wish so desperately that you were still around. Still in shock & devastated that we never got to meet. Meeting you and yours was on my list and now ill never get to shake the hand of the guy who stood by my side through good times and bad. I bless the creators of CoD2 because without them, we would never have met. I hope you are at rest now! Until the next time we meet and I can get a few rounds in with you..... take care and sleep well Pest. Love Minxie (Em) xxx*
