“ I’m so sorry for your loss. I was only around Tim twice. It only took one time to see how much he loved his family. ❤️

An addition: I always remembered what a great basketball player Tim was. Also all of the mischief and fun times. Sorry again I didn't get to see him all these years. It would be great to see some of his artwork and the car. Tim had many gifts.

“ Tim & Mary & I became instant friends back in 2005 when I moved into the community of Savannah right next door to them & we were neighbors for 16-yrs before they sold their home & decided to settle & retire in pilot point - It was truly a sad day when they moved earlier this year (2021) but i'll never forget either one of them - Tim spent a many a night in my living room playing a mean game of pool w/my boyfriend at the the time, Rob - They would play pool for hours w/o breaking a sweat & just laugh & laugh the whole time - Both were great! pool players but Tim beat Rob more times than Rob beat Tim - Tim was also an Artist & painted this gorgeous ceiling mural of a bright blue sky, white clouds, birds & cherubs for my daughter after she bought a home in Mckinney & he also painted a mural in my garage (that's still there today) of a classic car - he has some beautiful pieces of art work he did over the years - One of Tim's many other talents was cooking out on the grill where he would grill some of the best meats u've ever had & never minded sharing some w/me cuz he knew how much i liked his grilled food - What i remember the most about Tim was him always working around his yard in his bath robe which became a part of who he was & if he didn't have his bath robe on while in the yard working on something things just didn't seem normal or right to me cuz the normal was saying good morning to Tim in his robe plus I would sometimes call him Timbo which i nicknamed him & was glad he didn't mind - and, the other thing i'll always remember was him walking his dogs which was adorable & he would let me pet & talk to my favorite dog of his named Frankie (the cutest little dog u've ever seen w/the most beautiful bright blue eyes) - i just adored that little dog which i know in my heart that all those that Timbo left behind (both humans & pets) will forever miss him & so will all his family, his friends & acquaintances throughout his life including my cousin whom lived w/me, Byron, whose a jokester & always kept Timbo laughing in stitches everytime they would see each each other outside - So Timbo we love you & always will because ur someone that if a person was ever fortunate & blessed enuf to cross paths w/u during their lifetime would/could never ever forget so I will always remember you & your wife Mary & altho my ❤️ heart & soul

wishes you were still here, I understand 🙏😊

“ *My brother Tim. You always had a joke, a smile, and shared your artistic side with me many times. Rest easy now in the arms of the Lord. Mary, it saddens me that we cannot be close during this time. Please know that we all love you and pray that God wraps his arms around you and gives you peace.*

“ *Mary and family, I am so so sorry to hear of Tim's passing. My memories of Timmy started the day he moved into our neighborhood. He quickly became one of the Ohio/Orchard Streets Gang. He and his family became fast friends of my family and before I knew it, I had another little brother. His grin was infectious and he could talk his way out of all sorts of mischief with the grown ups. Such a charmer... When Woody died, Tim came by our house and we had a good visit. I appreciated that so much. He will always have a special place in my heart and I can imagine he and Woody are having a grand time talking over old times. Rest in peace old friend.*

“ Always will remember the mischief Tim and Mary along with Woody and I would get into during our high school days. Never a dull moment. Remember when all of us went to the state fair together. Hope Tim, Woody and Bill are together now. Will always remember our good ole days. Tim will miss you. Gone but never forgotten. Mary Love You.

“ My brother Tim... what can I say.. I have loved you always. You have been in my life for over 50 years. I don't remember the time you weren't. We had so much fun and laughter thru these years. You were just another big brother. Let me drive a car into a house and didn't even get mad at me... said well you need practice...lol. You and Steve were brothers as well and I know that you are there with him. I will miss you so much and you won't ever be forgotten as long as the Lord lets me be here. Pray that you and Steve will meet me when the time comes. Love you to the moon and beyond dear brother. I'll watch over my sister as best I can. Rest with the Angels sweetie!!

“ I'll forever be a Jethro Tull fan. Tim was always a loving father to Kristina and Ian and was always “mushy” with Mary when we were kids. We'd joked about how “gross” it was but looking back now I can see the love they had. When we were kids we thought all of that mushy stuff was gross. Ha! If I knew then what I know now...Tim, Mary, Kristina and Ian accepted me into their home always and the love I felt from them still transcends today. Tim always had a smile from ear to hear and he always had something to say about something we weren't even aware of. He was a talented artist, an amazing father, a loving husband and a friend to many. He will be greatly missed.

“ It's hard to remember a time when Tim wasn't a part of our family.. All the time spent at my house, in the shop working on their cars with his friends.. it was a place where all the kids gathered... All the music that was played there... The many family get togethers... with the MUSIC PLAYED... And just recently being able to spend time with Tim and Mary... this will always be a special memory for me.. I Loved this man so much.. His great hugs and kisses, being able to tell them both how much I Loved them.. Tim is one of a kind... sweet, funny, talented, caring, He will forever be a Very Large part of our family.. Love You forever sweet Brother...

“ Right now all we have are words...And that just doesn't do you justice, brother. We will miss your smile, laugh. and of course your "Mick Jagger" impression. I know that you and Steve and Julie are up there with Terry Joe as well. I'm sorry we can't make it back to be there with you Mary, but know that we are loving you from here and praying for you. With deepest sympathies, Brian and Ann

“ So many great memories with this man!!! One of my favorites was when Krissy got married and he was having his dance with her that started to some slow fancy song and you could tell he was not amused and all the sudden the music changes to The Rolling Stones and this man rocked it out. I loved him dearly!!!! Uncle Tim you were one of a kind.
