“ *Roger, Susan & Jade - I just heard the news and I'm just heartbroken. I have to tell you a sweet story. Roger would bring the girls to work, and Jade & Vail would run into the office and I would give them paper etc to color on. They had the best time in there "working." Vail was such a beautiful little soul, when she smiled I felt the whole world would just stop & light up. I'm deeply sorry for your loss, and I'm truly just heartbroken. I know shes just singing & dancing around Heaven just waiting on the day she gets to see her Mommy, Daddy, and Sister again. May God wrap you up in his loving arms. God Bless you all.*

“ I feel how weak and fruitless must be any word of mine which should attempt to beguile you from the grief of a loss so overwhelming. I pray that our Heavenly Father may assuage the anguish of your bereavement, and leave you only the cherished memory of the loved and lost, and the solemn pride that must be yours to have brought such a beautiful child into this world.
