“ *Vernon, May God give you eternal peace. It's not every day that you find a good and wonderful human being like you! I am most grateful to have had you both as neighbors. Sorry for any grief I may have given you with my overgrown yard - and thank you for all the times you saved me and your other neighbors from grief of our own!* Jaime Gamboa

“ *Linda and family, it is with deep sympathy that I write this. I've known both Vernon and Linda since school in Irving. Had the opportunity to eat lunch a couple of times with Vernon and a few other IHS fellow believers in the last 2 or 3 years. Linda, I pray Almighty God will comfort you and yours as you go through this time of grief.*

“ *Linda and Family, May the Lord embrace and hold you up in this trying time. Vernon has "jumped" the river and is holding out his hand to help me cross over safely...I know Linda will understand this comment.*
