“ My deepest sympathies to the family friends and fans of our Ginnie. You will be missed beyond measure here stuck on the ground without you. Thank you Ginnie for all the many gifts you have given and still do in the love that shines thru your family and anyone that had the honor to call you friend. Your gift of how to remain a lady, wife and mother while becoming a performer in the music business not only supported me but shaped a confidence in me that has proven to sustain me thru out even now. Your love thru Jesus beautiful voice and huge heart will never be forgotten. Gratitude and love my deepest condolences.
