“ With a heavy heart I wish to express my sincere sympathy Dan to you and your family. Virginia was always so sweet and kind to me even when I would call on a Sunday afternoon while she was cooking dinner and tell her Benji had lost his asthma spray again.... She would always assure me not to worry that you could go to the store and get us another one. You guys have always been close to our hearts, and we felt blessed that you both were our friends. You and your family are in my thoughts and prayers during this difficult time. Much love and God bless you all.

“ I am so very sad to hear the sad news that Virginia has passed. I do know where she is, and my sympathy to Dan and her children, and all of her family. She and Dan made all of us who worked for them feel like family. She was a savvy business woman, but she was also a good friend and confidant. I will miss her smiling face at Church on Saturday nights, and that little wave to say hello!

“ *Mere words can never begin to convey the sadness I feel since Virginia has passed! She was a true friend and I will miss seeing her at Church, and see that smile and little wave that she gave me. I learned a lot from her when I worked for her and Dan at Dans Drugs. She was a real lady, and a true friend. My sympathy to all her wonderful family. May God guide you thru this difficult time.*
