“ *My deepest sympathy. I met Jody through my cousin who she worked at Raytheon with for many years. He claimed he was introducing 2 equally crazy women! I would come over to her barn and pet the horses then we headed to Winstar. In 2017 we did a Casino Crawl Roadtrip from Frisco to near Tampa, FL to visit my cousin & his wife. This pic is Jody at a restaurant in Biloxi, MS. We laughed nearly constantly for 2,290 miles!* ”

“ *Dennis and I became fast friends with Jody and John when meeting in the TI bass club. We went on many fishing trips, road trips and even a cruise together. We had many great times together and shared a great love for our fur babies. Jody will forever be in our hearts!* ”

“ *I remember playing in the creek with Jody and we were catching tadpoles. Jody taught me so much as we were growing up. How to care for and ride a horse. The vacations we went on together with our families. She will be missed. Fly high, Jody! ❤️*
