“ *Della, Katrina, Roy.....I know it was a difficult year for you as you find your way through life without your husband, father, friend. Know you are held in God's hands as you rise from the unfathomable grief. Live your lives with joy as that is what Wayne would want. You are his legacy and can add much to what he accomplished while he walked with us. Much love and many hugs.....*

“ *Wayne, outside my sisters I have known you longer than anyone else in my life. We started out playing jacks & ended up being friend & you have been a part of my life forever!! You will be so missed, your wonderful memories of my childhood I didnt even remember. Your love of family means the most to me. You have left some big shoes to fill, no one ever will. Best of all you came to know our Lord & savior Jesus so we will spend eternity together with Mom & Della. Love, K*

“ My cowboy brother in law just went to his last calf roping contest! We will miss him desperately! He has been a part of this family for over 60years and a part of me feels like it has been chipped off. I loved introducing him to city folk...they enjoyed talking to a "real" cowboy. He left a beautiful family and will be remembered for always, always, always being willing to help doing any kind of repairs or handyman work. He could fix almost everything! Even with Macular Degeneration, he would tell me what to do and how to do it. Wasn't as good a job as he could have done, but it worked. I love that he is out of pain and I send my love and prayers to all his extended family for whom he meant so much. Love you Wayne!
