JM

“ *He was the most amazing son a mother could ask for. He was always there for me and answered everything call from me. He made sure he told me he loved me every day. He loved his nephew and nieces so very much. He had the biggest and kindest heart of anyone I ever knew. He was absolutely head over heals in love with Dotty Rey. He wanted so much to have a baby with her. He was a very loving brother and was always there for Chelsea even though they butted heads. He was also his daddy's baby to all of the kids learned to except it thank god. They loved him so very much too. He was beyond blessed with such an amazing family that loves him.*
